### Reference Guide

**Reference Guide**

*Aimovig*® (AIM-oh-vig)

(ereumab-aooe)

injection, for subcutaneous use

Single-Dose Prefilled SureClick® Autoinjector

70 mg/mL

---

**Guide to parts**

- **Purple start button**
- **Expiration date**
- **Window**
- **Medicine**
- **White cap on**
- **Green safety guard (needle inside)**

---

1. **Prepare and clean your injection site.**

2. **Wait at least 30 minutes** for the autoinjector to come to room temperature before giving your injection.

   - Pull the white cap straight off only when you are ready to inject. **Do not** leave the white cap off for more than 5 minutes. This can dry out the medicine.

3. **Expiration date**
