

## AIMOVIG<sup>®</sup> (erenumab-aooe) Product Labeling

Please note that the needle shield within the white or orange cap of the AIMOVIG<sup>®</sup> prefilled SureClick<sup>®</sup> autoinjector and gray needle cap of the AIMOVIG<sup>®</sup> prefilled syringe contain dry natural rubber (a derivative of latex), which may cause allergic reactions in individuals sensitive to latex. Due to manufacturing changes currently being implemented, two versions of the product labeling are available.

Please select one of the following:

For the product labeling related to latex-containing product, which is also packaged with your product, [click here](#).

For the most recent version of the product labeling containing other updates, [click here](#).

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit [www.fda.gov/medwatch](http://www.fda.gov/medwatch), or call 1-800-FDA-1088.
