

Repatha[®] (evolocumab) Product Labeling

Due to manufacturing changes currently being implemented, two versions of the product labeling are available. Please select one of the following:

A blue circle with a black outline, containing white text.

For the product labeling related to product containing dry natural rubber (a derivative of latex) click here.

A blue circle with a black outline, containing white text.

For the product labeling related to product that is not made with natural rubber latex click here.

Dry natural rubber (a derivative of latex) may cause allergic reactions in individuals sensitive to latex.

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit www.fda.gov/medwatch or call 1-800-FDA-1088.
